

## 2016 Leander Citizen's Police Academy Class #15 January 5 – March 29

The Leander Citizen's Police Academy (LCPA) will provide a new understanding of law enforcement through lectures, demonstrations and hands-on exercises. The LCPA will provide you with an abbreviated experience very similar to police recruit training.

This 12 week course is filled with useful information and adventures that will provide you with memories for a lifetime. This dynamic program is offered to Leander residents or business owners who are at least 18 years of age and have no felony convictions. The LCPA will meet on Tuesday nights from 6:00 pm to 9:00 pm, for 12 weeks and is offered at no charge to the participants.

To accommodate the building clearing and scenario class there will be an additional class on **Monday** March 21st, at the normal time. **Graduation is scheduled for March 29th. There will be no class on March 15<sup>th</sup> due to Spring Break.**

Participants learn more about how their police department works and enjoy a great opportunity to meet other members of the Leander community. *Please note that repeated absences from class may result in not passing the class or requiring make-up classes to be eligible for our Advanced program.*

- *Use of Force by Law Enforcement*
